

CHATHAM CUP

FOOTBALL MADNESS

RSEFC VS WAIHEKE

MON 6 JUN

STARLING PARK SPORTS CLUB

34 - 44 Glen Road, Ranui
Kick Off at 2.00pm

WELCOME

Ranui Swanson Football Club would like to extend a warm welcome to the management, players and supporters of Waiheke Football Club. We look forward to this opportunity to display our football talent against a well-regarded opponent. It is with great pride that we extend a hand of hospitality to our visitors to celebrate with our club members and supporters. We look forward to an exciting match, and we know both sides will give it their all.

The Chatham Cup is an institution in New Zealand soccer, and has been since its introduction in 1923. The trophy was gifted to the NZ Football Association by the crew of HMS Chatham. It has become the most sought after honour in New Zealand football.

Friendly reminder, that **ALCOHOLIC DRINKING** is on the grandstand area **ONLY!**

RSFC COACHES CORNER

It's great to be in this latest round of the Chatham Cup, there was a bit of excitement when the draw was made to see who we got and when Waiheke's name was pulled out I felt this would be a great game. It's always an occasion when the boys from the Island came across with their supporters, drums, banners etc.

It's also a great draw because we lost to them in the league a few weeks ago so having another crack at them is a good opportunity for us to erase that. Both teams try to play attacking football, as was shown in that game, so I expect there to be goals today.

We've had an up and down season so far and after starting to put some good performances together we were disappointed to lose 1-0 to West Auckland in the league last week; that was another game where we created a lot of good chances but it came down to them being able to put the ball into the net once and us not.

I know our boys are up for it so hopefully we can put in a good performance today and be in the bag on Tuesday.

- Lee Gosshawk, Head Coach

RSFC TEAM LIST

MANAGEMENT TEAM
