Equal Opportunities for All

At Ranui Swanson FC we don't discriminate against any person regardless of Age, Race, Sex, Religion or Disabilities.

We offer Woman and Girls the opportunity to play in girls/woman's only team (Where available).

All Players are encouraged to play within their physical and skill levels in a friendly non-judgmental environment.

Any and All Players/Coaches or Volunteers are welcome at RSFC and treated the same as any other member of the club.

Currently we have disabled players integrated within abled players.
